

Welcome,

Thank you for considering La Crosse Montessori Preschool! My name is Kristy Knoble. I am the Director and lead teacher at La Crosse Montessori Preschool. Montessori has a long standing reputation for excellence in non-traditional education and we at LMP take our role in your child's life very seriously. We strive to provide the best for our early learners based on who they are as individuals.

For many of you this is your first experience in "letting go." I have three children myself and although it has been a while, (Myles is 18, Rylan 17, Kalli 13) I remember what it was like to send them to LMP when they were so young. Please know we will love and care for your child on this journey, as well as support you as a parent. We are a very family orientated school. This means we rely on each other. You rely on us to meet the needs of your child in a loving and personal way and we rely on you to become part of our community. This is a partnership.

If you have any questions please do not hesitate to call or email me at any time; I am happy to help. Please do your best to have all the needed papers filled out and returned to school as soon as possible. Your registration will be confirmed via email by myself or the La Crosse School District (if you are part of the school district 4K program), they can be reached at 789-7006.

I look forward to getting to know your child and family. Thank you again for considering La Crosse Montessori Preschool.

Sincerely,

Kristy Knoble
