Noon care is an optional LMP program is offered from 11:00am to 1:00pm daily to all children enrolled in either preschool session. It has a small class size, maximum of 13 students. Children bring a cold lunch and enjoy a mix of Montessori work time, gross motor activities, and stories, as well as organized games and free play with their classmates. This program includes rest time for full day students under the age of 5. Families enrolled in the full day option will need to provide a nap mat, blanket or sleeping bag, and pillow for their child. The after care program runs from 3:30-5:30 and is similar to the noon care program minus nap and lunch. Contracted

Contracted: 1 to 5 days / week \$7.00 per hour

Drop-In: When space is available \$9.00 per hour

Noon care and after care are billed at the end of every month and can be added to your automatic payments.

Before Care

Before care is available between the hours of 7:00-8:30 AM. This program option is stand alone and is not included in any other program fee. Students are welcome to bring their own breakfast. Water and juice will be provided. Programing will consist of a “soft landing” approach. Meaning that children will be able to choose quiet and mostly independent work to ease into their day at school. The class size is limited to 8 and will have one teacher. Children will spend time in both the Montessori classroom as well as in the extended care room.
